

# Second Annual Chipper-Palooza!

To help make our community safer and more “Wildfire Adapted”  
Aspen Springs Metropolitan District is sponsoring this 2<sup>nd</sup> annual event:

**Where: Ute Park**

**When: May 17 & 18 (Saturday & Sunday)**

**9:00 am – 3:00 pm**

**Only woody forest debris! 12” diameter or less**

No metal, construction, or other inorganic waste

No pine straw, lawn waste, or other light materials

- 1. You bring it**
- 2. We chip it**
- 3. You take it home!**

The chips will make a great mulch for helping to keep moisture around plants, but please do not place the chips within 10 feet of your house. We want to reduce fire risk, not increase it!
